AUSTRALIAN CUSTOMS NOTICE NO. 2010/18

Review of Schedule 4 of the *Customs Tariff Act 1995*

On 19 March 2010, the Government announced as part of its better regulation and micro-economic reform agenda a review of Schedule 4 of the *Customs Tariff Act 1995*.

Schedule 4 provides tariff concessions for a range of imported goods under different circumstances.

The review will focus on removing unnecessary complexity from Schedule 4 by simplifying arrangements and removing obsolete items.

The Government has invited industry and other interested parties to provide comments on the proposed rationalisation of Schedule 4 to inform the review.

Further information about the review is available on the Department of Finance and Deregulation website at <http://www.finance.gov.au/deregulation/tariff-concession-rationalisation.html>.

Inquiries concerning this notice may be directed to the Director, Tariff Policy, on (02) 6275 5046 or fax (02) 6275 6471.
