64AB Cargo List Report

Under section 4A and subsection 64AB(4B) of the *Customs Act 1901* (the Act), the attached statement, entitled the "CARGO LIST REPORT", is approved as an approved statement for the purposes of communicating electronically particulars of:

    a)   all goods that a shipping line has arranged to be carried on a ship on a voyage and that are intended to be unloaded from the ship at a port in Australia (whether the first port or any subsequent port on the same voyage), other than goods that are accompanied personal or household effects of a passenger or member of the crew or ship's stores; and

    b)   all goods that the shipping line has arranged to be carried on a ship and that are intended to be kept on board the ship for shipment to a place outside Australia, other than goods that are accompanied personal or household effects of a passenger or member of the crew or ship's stores.

This instrument commences on 1 October 2016.

CARGO LIST REPORT

Approved statement – *Customs Act 1901* subsection 64AB(4B)

Item No.	Short title	Information required
1	Sender Reference	The identifier assigned by the person communicating the report to identify (and distinguish from others) the report and all subsequent amendments to the report.
2	Sender Reference Version	The numeric identifier assigned by the person communicating the report to identify the version of the report or sequence of related reports.
3	Vessel ID	The identifier of the ship which is carrying the cargo: • the Lloyds identification number of the ship; or • if the vessel does not have a Lloyds identification number, the identification code allocated to the operator of the ship by the Department
4	Voyage Number	The unique number assigned by the principal agent of a ship for that particular journey to Australia.
5	Discharge Port Code	The UNLocode, as published by the United Nations Economic Commission for Europe (UN/ECE), for the place in Australia where the goods will be unloaded from the ship.
6	Responsible Party ID	The Australian Business Number (ABN), or code allocated by the Department (the Customs Client Identifier or CCID), that identifies the cargo reporter.
7	Cargo Identifier	If the goods are cabotage moved by international ship or are for export - the container number, booking reference number or a bill number. If the container is empty - the container number.
8	Cargo Code	The code indicating the type of cargo: • C (Cabotage) • E (Empty) • X (Export)

Item No.	Short title	Information required
9	Cargo Type	The code indicating the cargo type: • B/B (Break bulk) • BLK (Bulk) • FCL (Full container load) • FCX (Full container multiple house bill) • LCL (Less than container load)
10	Number of Packages	The total number of packages in which the goods are packed.
11	Package Type	Indicate the type of packaging in which the goods are contained or wrapped, for example, drums, barrels, pallets etc.
12	Original Loading Port Code	The UNLocode for the place where the goods were originally loaded onto the ship that is carrying the goods.
13	Destination Port Code	The UNLocode for the final destination of the goods.
